

DD/R-833-63

6 June 1963

MEMORANDUM FOR: Acting Assistant Director for Research and Development
Assistant Director for ELINT
Assistant Director for Special Activities

SUBJECT: Nomination of a DD/R Candidate for Brookings Science Conference

1. As we discussed at the last Board meeting, I am attaching the background information on the Brookings Institution science conference for which the DD/R has been asked to nominate one candidate for FY 1964. The selected candidate will attend this one week conference which is being held three times during FY 1964; i.e., one running in October, one in January and one in May. We cannot determine at this time which course our candidate will attend, however, the Office of Training would appreciate our notifying it of our selected candidate as soon as possible.

2. Since this would be the only item on the agenda for the June meeting of the Board, I would appreciate your notifying me verbally by 12 June of any candidate(s) your office may wish to nominate.
